**Company:** Verisk Analytics

**LinkedIn profile:** <https://www.linkedin.com/in/lucianmcmahon/>

---

## From the Nominator:

**How long have you known the nominee? And in what capacity?**

2.5 years, teammates/colleagues

**Describe ways in which the nominee has demonstrated a commitment to the industry via activities in their company, involvement with professional organizations such as PLUS, or other extracurricular activities related to PL.**

Lucian has contributed to numerous blogs, podcasts, whitepapers, and conferences throughout the industry for organizations like the CPCU Society. He is widely considered to be a thought-leader in the global professional liability space, focusing on emerging risks and research.

**How has this person already uniquely contributed to the PL industry?**

Lucian's research and the work of his team have impacted the way key players in the PL industry think about today's most pressing concerns such as climate change, algorithmic bias, and recessions. His ability to communicate with professionals in all parts of the industry has uniquely positioned him to be an emerging voice for PL professionals around the world.

**Why do you consider this person to be an emerging leader in the PL industry?**

I personally consider Lucian to be a leader on our team because of his ability to provide guidance to junior members with a rare combination of professionalism, intelligence, and humility. Outside of our team, he is one of very few people in the field of liability catastrophe research and deserves to be recognized for the pioneering work he is doing.
