

PLUS EMERGING LEADER AWARD

Nominee Details:

Name: Kelly Carter

Job Title: Assistant Vice President, FINPRO Advisory

Company: Marsh

LinkedIn profile: <https://www.linkedin.com/in/kelly-carter-arm-6aaab716a/>

From the Nominator:

How long have you known the nominee? And in what capacity?

5 years, as a colleague at Marsh.

Describe ways in which person has demonstrated a commitment to the industry via activities in their company, involvement with professional organizations such as PLUS, or other extracurricular activities related to PL.

Kelly has build an extremely strong network in the professional liability (specifically management liability) industry in the Southeast Zone of the US. She attends numerous networking events, in particular the PLUS events in the Southeast, along with young professionals organizations, continuing education events with leading attorney/firms in Atlanta, as well as gives back to her alma mater (University of Georiga) by attending their Gamma Iota Sigma (Risk Management Society) events representing Marsh and the industry at large. She possesses insurance licenses in various states, as well as holds further acrediations such as her ARM-P designation.

How has this person already uniquely contributed to the PL industry?

Kelly at a young age has demonstrated a keen ability to understand complex coverage topics, and communicate these topics externally, extremely well, with clients, as well as business partners. Kelly has been involved with putting out external content covering emerging risks, as well as worked through internal training concepts for colleagues. She serves an extremely sophisticated client profile here at Marsh, working on various Fortune 500 clients, as well as specializing her work in the healthcare industry. Not only does she serve clients in this industry with immense skill, but she also gives back to the industry with her internal and external work.

Why do you consider this person to be an emerging leader in the PL industry?

It is clear to everyone that works with Kelly that she is a leader within Marsh as well as a leader in the industry at large. Her poise, knowledge base, and overall work ethic provides so much to the industry that it is obvious to many that she will continue to be the leader that she is, and will advance to very high heights in the industry.
