From the Nominator:

How long have you known the nominee? And in what capacity?

About 4 years

Describe ways in which person has demonstrated a commitment to the industry via activities in their company, involvement with professional organizations such as PLUS, or other extracurricular activities related to PL.

She's committed to learning new products and services for clients, volunteers to projects, volunteer member of Insurance Charitable Foundation, and young professionals within Hub including their Canadian operations.

How has this person already uniquely contributed to the PL industry?

She has made every effort to learn and lead various projects within the organization and commit her time to the industry.

Why do you consider this person to be an emerging leader in the PL industry?

I believe she is an emerging leader because she is not afraid to jump into any project or endeavor she works on for the team. There is no hesitation to call a market or client to discuss any situation.
