How long have you known the nominee? And in what capacity?

I have known Gordon for four years now. He is my direct manager.

Describe ways in which the nominee has demonstrated a commitment to the industry via activities in their company, involvement with professional organizations such as PLUS, or other extracurricular activities related to PL.

Gordon is highly involved in the Professional Lines industry and consistently demonstrates his commitment to advancing the insurance community. In addition to supporting the PLUS organization, he actively participates in several other industry organizations and events, including serving as a panel speaker at the NetDiligence Conference. Gordon is also a strong ally for women in the Professional Lines and Cyber insurance space, regularly supporting organizations and events such as IWCA and Women in Cyber Insurance.
